

# SLENDER® WINES

## The World's Only Carb-Free Sweet Wines

**Contains Zerose™, a natural carb-free sweetener that:**

- occurs naturally in wine and most fruits
- tastes exactly like sugar
- contains no carbohydrates or fat
- has no aftertaste

**SLENDER® WINES all contain Zerose™**  
**Alcohol levels are 12-13%.**

*Tasting notes and food pairing of Slender® Wine*

### **SLENDER® WHITE**

- Produced from a blend of California white grapes, A pale straw color, floral scents of peach, apricot, & citrus with a lingering floral sweetness to the finish.
- Serve as an aperitif, with fish, fowl, cheese, fried chicken, and a variety of fresh desserts.
- Serve chilled 45-55°

### **SLENDER® BLUSH**

- A blend of California white & red grapes. Aromas suggest strawberry, berry, and citrus with elegant sweetness.
- Enjoy as an aperitif or as a social sipping wine. Food pairings include fish, fowl, processed meats, German-style foods, and cheeses.
- Serve chilled 45-55°

### **SLENDER® RED**

- Crafted from California red grapes, is dark in color. Aromas include cherry, classic berry, plum, and spice. Mild sweetness caps a lasting finish.
- Pair this wine with poultry, a variety of red meats, game, grilled meats, & yellow cheeses.
- May be served chilled (60°) or at room temperature.
